

"Want" by Adam Wolpa

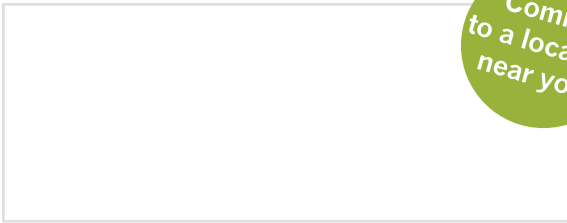

EAT WELL food tour 2009

What do food and faith have to do with one another? Is it enough to pray before our meals? Giving thanks to God is certainly important, but there are also many more ways Christian values can influence our food-related habits. Come to a **free workshop** about how to put faithfulness into practice around the table and beyond.

Tour co-sponsored by:

Christian Reformed Office of Social Justice
*culture is not optional

Coming to a location near you!
